

Gossip of the Week

Now is a summer evening
Might be passed in comfort, snug
If you know of a news item tell us
The harmless lightning bug.

Now is a good time to clean up your
premises.

W. Henderson, of St. Augustine, was
in town Thursday.

J. D. Price and son, Hubert, were
down from Ormond Monday.

Mr. F. Wood and family left Wednesday
afternoon for their northern home.

John Hobbs has moved his family into
the house recently vacated by Capt.
Wood.

You get your two-bits' worth when
you buy Park's Breakfast Delight coffee.

Mr. E. L. Wall entertained a number
of lady friends at her home Friday after-
noon of last week.

Monday was Emancipation Day and
a number of colored people enjoyed an
excursion down the river.

Miss Jessie Chamberlain very pleas-
antly entertained a party of young
friends Friday evening of last week.

The plans for the new Desland Hotel
are in place, and work on the structure
will be pushed as rapidly as possible.

Mr. W. H. Rupe and Miss Florence
Herron drove over from Deland Wed-
nesday and registered at Schmidt's
Villa.

Mr. and Mrs. F. A. Hill left Wednesday
for their home in Lake City, Minn. En-
route they will visit several North
Carolina resorts.

Mr. and Mrs. T. T. Marsh left for their
home at New Millford, Conn., Thursday
afternoon of last week after a very
pleasant stay in Daytona.

Mr. and Mrs. Archibald Reed will leave
next Tuesday for Springfield, Ill., where
they will spend the summer. Mr. Reed
will dispose of his Illinois property and
will then make Daytona their future
home.

Only three weeks more and we will
know whether Daytona will have electric
lights. We trust our property owners
will do the right thing at the election
and show that Daytona welcomes im-
provements.

A fire near Mr. Carmichael's col-
lege back of the Ridgewood hotel, caught
fire last Tuesday. A high wind was
blowing at the time and but for prompt
assistance in extinguishing the fire the
Ridgewood Hotel would undoubtedly
have burned.

A special train of Red Men and their
wives and sweethearts was run from
Palatka to Daytona Wednesday, and
they spent an enjoyable day about our
city and City Beautiful. The autos were
well patronized and the town was quite
lively during the stay of our visitors.

H. E. Mann, who has been spending
the season at the Fountain City House,
left Wednesday afternoon for his home
in St. Paul, Minn. Mr. Mann is one of
the most popular guests the Deslands
entertained this winter, and most of all
the remaining guests were down to the
train to bid him good-bye.

Now that school is closed most of
the teachers are making pre-
parations to leave. Professor will re-
turn to his family in Ohio; Miss La-
Fontaine will go to her home in Gains-
ville; Miss Moley goes to Mentor, Ohio;
Miss Laws returns to Deland and Miss
Hasker to Mount Grove; Mrs. Babington
and Mrs. Brown will spend the summer
at the beach.

Rumor has it that a certain woman
staying in Daytona has been solicited
and claiming to be one of the sufferers of
the Jacksonville fire, but it is alleged
that she is a fraud. While every ad-
dress should be extended to sufferers of the
ill-fated city precautions should be taken
to see that the wants of the needy are
attended to. Frauds always spring up
in such instances, and when found out
should be given the "marble heart."

The Daytona Traction Company have
filed articles of incorporation with the
secretary of state. The capital of the
company will be \$15,000, and the busi-
ness of the company will be the manu-
facture and sale of automobiles and
vehicles of all kinds. The following
names appear as incorporators: Charles
R. Mayers, Joseph D. Potter, Earl C.
Peters, Harry Olmsted, E. L. Potter, R.
C. Anderson, of Columbus, Ohio, and J.
W. Wilkinson, of this place. The com-
pany will be officered as follows: E. L.
Potter, president and general manager;
J. W. Wilkinson, secretary; E. L. Peters,
treasurer.

WHOOPING COUGH.
A woman who has had experience with
this disease tells how to prevent any dan-
gerous consequences from it. She says:
"Our three children took whooping cough
last summer, our baby boy being only
three months old, and owing to our giv-
ing them Chamberlain's Cough Remedy,
they lost none of their plumpness and
came out in much better health than oth-
er children whose parents did not use this
remedy. Our oldest little girl would call
it a lucky cough syrup between whoops."

NO LOSS OF TIME.
I have sold Chamberlain's Cough, Chol-
era and Diarrhoea Remedy for years, and
would rather be out of coffee and sugar
than it. I sold five bottles of it yester-
day to travelers that could go no further
and they are at work again this morn-
ing. — R. R. Pomeroy, Plymouth, Oklahoma.
As will be seen by the above, the threat-
ening danger of a single day's time. You
must keep a bottle of this Remedy in
your home. For sale by all druggists.

Grace Bingham; recording secretary,

Miss Evelyn Clark; treasurer, Miss Maud
Hobbs; junior superintendent, Miss Ru-
ger; assistant junior superintendent, Miss

THE GREAT SCOURGE
Of modern times is consumption. Many
cures and discoveries from time to time
are published, but FOLEY'S HONEY AND
TAR does truthfully claim to cure all cases
in the early stages, and always affords
comfort and relief in the very worst
cases. Take no substitutes. Dr. J. M.
Jones.

The Up-to-Date Tonsorial Parlor will
be closed every Sunday, commencing 1st
Sunday in June.

SHUDDERS AT HIS PAST.
"I recall now with horror," says Mail
Carrier Burnett Mann, of Levanna, O.,
"my three years of suffering from kidney
trouble. I was hardly ever free from dull
aches or acute pains in my back. To
stoop or lift mail sacks made me groan.
I felt tired, worn out, about ready to
give up, when I began to use Electric Bit-
ters, but six bottles completely cured me
and made me feel like a new man." They
are unrivalled to regulate stomach, liver,
kidneys and bowels. Perfect satisfaction
guaranteed by Dr. J. M. Jones. Only 50
cents.

the approach of the new bridge and we

Mr. and Mrs. M. F. Blitch, of Pablo
Beach, arrived here Tuesday for a brief
visit with friends and relatives, and leave
today for West Palm Beach, where they
will make an extended visit. Mr. Blitch
is a prominent architect of Pablo Beach.
Mrs. Blitch is a sister of J. E. Rush, one
of Daytona's well known grocers.

W. Michael, a respected and valued
citizen of Sea Breeze, died Friday night of
last week. Mr. Michael has had charge
of the Colonnades electric light plant
during the past season and it is supposed
the night work and exposure which he
subjected himself to were the cause of
his death. He had no children but leaves
a wife to mourn his demise.

The finest piece of advertising matter
we have seen this year is before us. It is
a booklet issued by the Central of Geor-
gia railroad, and was sent to us by
Walter Hawkins, the bustling Florida
agent, located at Jacksonville. The
booklet is illustrated by three-color half-
tones and contains about 300 views of
interesting points along this popular
railroad line. Take it all in all it is in-
deed a work of art.

The Social Selfishness of Ordi-
nary Virtue and Intelligence.

Representative government is a dead
failure where there is no practical method
of holding the representatives responsible
to the People. It is a dead failure where
there is no practical method of enlight-
ening and vigorizing the conscience of
the elector. Where popular government
pivots on the equality of universal
franchise in expediency, all action and
reaction of society upon itself is from bad
to worse. The biggest curse rulers the
People and Plutocracy is at flood tide.
An emperor and a Praetorian guard to
auction off the State to the highest bid-
der is only a little way in the rear as the
last trump of faction in the card-pack of
the blind politician.

The constitution of Florida, confers
upon the Legislature ample power in the
matter of public education and munici-
pal corporations. Would it not be
well for the Legislature
to direct the State Superin-
tendent of Education to introduce in the
public schools, the civics of responsible
liberty, instead of the civics of universal
license? Would it not be better for the
Legislature of Florida to author-
ize the municipalities of the State to apply
qualifications to municipal suffrage and
eligibility, by putting a social premium
upon the industrial, scientific and social
virtues instead of continuing the
supremacy of ignorance and vice? Justice
makes morally obligatory upon society
the legislative recognition of the funda-
mental distinction between the com-
petent and the incompetent. The sooner
the social monster of ignorance and
vice is hit upon the head by legislation
the better for all concerned.

The popular initiative, the referendum
and the imperative mandate, of judi-
ciously applied through the proper
safeguards of popular assemblies if de-
fined powers as the organized municipal
electorate, would add strength, efficiency
and responsibility to representative
government in cities and towns.

The civics and the tyrannous majority
of the electoral equality of ignorance
and vice, is a national and not a local
evil. Hence as a member of the sister-
hood of States, what could be more pa-
triotic and statesmanlike than an out-
spoken declaration of the Legislature in
accord with Southern precedent that the
Government of the people is true and
rightful and should be applied nationally
through the super-addition to the federal
Union of a permanent constitutional
convention of defined powers and refer-
endum as an adequate organ of reform
for the entire body politic? It would en-
title Florida to a glorious leadership.
